Get ready for **Chatty Maths!** An exciting, interactive, maths enrichment workshop for children aged 7 to 11 (School Years 3 to 6)!

Does your child enjoy maths and problem solving? Then '**Chatty Maths!**' is for them! They don't need to be a maths genius to take part, in fact '**Chatty Maths!**' is equally about developing the skills needed to succeed in life... **problem solving, collaborating, negotiating, having courage and being creative.**

So how does getting stuck into brilliant, **hands-on maths games with friends** sound? Teaming up to crack **fun and exciting challenges?** **Learning** without realising learning is happening? Hop over to **ChattyMaths.co.uk** to find out more.
